

Heathfield Academy Pupil Premium Grant: Impact Report 2015/2016

Context of Academy

Heathfield Academy is a two form entry Academy in Croydon. It forms part of the STEP Academy Trust (a family of Academies in the local area).

Inspired by the commitment to improve children's life chances, STEP Academies work together to provide high quality learning experiences for all their pupils. We are determined to ensure that our children are given every chance to realise their full potential. Pupil Premium funding represents a significant proportion of our budget and we are committed to ensuring it is spent to maximum effect.

Key facts

- Heathfield Academy opened on 1st September 2015.
- At Heathfield Academy, we view the needs of all of our children as important and ensure that our teaching and learning opportunities meet the needs of all of pupils.

Objectives of Pupil Premium Spending

Our key objective in using the Pupil Premium Grant is to narrow the gap between pupil groups. Through targeted interventions we will work to eliminate barriers to learning and progress.

We recognise that not all pupils who are eligible for PPG are underachieving and that not all pupils who are underachieving are eligible for PPG. Historically, pupils with FSM achieve as well as other pupils.

The most important thing is that all children are receiving a high quality education through quality first teaching.

How is Pupil Premium Funded?

- PP is additional funding given to schools to raise the attainment of disadvantaged pupils and close the gap between themselves and their peers.
- Children who are registered as FSM in the last 6 years receive £1320 (£1900 for looked after children)
